sage People

Global HR & People System

Sage People (formerly Fairsail) is an end-to-end, cloud HR and People system for mid-size multinationals, enabling customers to become people companies and transform how they recruit, manage and engage their people. Implemented quickly and easy to use, Sage People increases workforce visibility, improves HR productivity and delivers great experiences across the entire workforce.

Comprehensive
An integrated set of services for managing the entire employment journey

Glocal
Automate global processes and policies, while enabling regional teams to remain compliant with local laws and regulations

Simple to use
Intuitive to use on any device, Sage People is rapidly adopted with minimal training resulting in fast time to benefit

Rapid implementation
Up and running in less than 90 days with easy integration to a wide range of payrolls, benefit carriers and third party apps

#1 HRMS on Salesforce
Most complete HRMS available on the Salesforce App Cloud and one of their top global ISVs

Instant workforce visibility
Know as much about your workforce as your customers or financials

Automated processes and policies
Significantly increase HR productivity, eliminating manual processing and spreadsheet hell

Everything you need to put you in control

Sage People is a fully integrated, end-to-end HR and People system based on the Salesforce App Cloud which delivers a holistic, consistent experience from joining to leaving. It automates a wide range of processes, including talent acquisition, engagement, management, development, and planning – supporting international requirements and local regulations. Its consolidated global reporting, dashboards and people analytics provide real-time actionable insights across your workforce.
